There are no common work activities.

Tools and Technologies that Both Occupations Have in Common

Similarity of Focus Occupation to Associated Occupation: 59

Focus Occupation: Cardiovascular Technologists and Technicians (29-2031)
Associated Occupation: Health Technologists and Technicians, All Other (29-2099)

Tools and Technologies	Exclusivity
Acute care monitoring units and related products	22
Blood pressure units and related products	11
Computers	1
Data management and query software	1
Diagnostic assessment and exam products for general use	21
Industry specific software	1
Intravenous and arterial tubing and administration sets and related products	22
Light and wave generating and measuring equipment	4
Medical diagnostic x ray products	26
Medical imaging processing equipment and supplies	33
Medical radiological imaging information and archiving products	43
Medical radiological shielding and protection products	31
Medical ultrasound and doppler and echo imaging products	19
Network applications software	1
Oxygen therapy delivery systems and devices	13
Pulse oximeters	18
Scopes and specula and accessories for medical exam diagnostic use	23
Specimen collection and transport containers and supplies	14
Stethoscopes and related products	14
Surgical clamps and forceps and surgical ligators and related instruments	29
Suture and surgical tissue closure instruments and related products	33
Syringes and accessories	14

Not all positions in these occupations will necessarily use all of the listed tools and technologies. The exclusivity rating is an indication of how unique the tool or technology is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations use that tool or technology.
